WORK EXPERIENCE

Project Manager

Backer-Founder

Taipei, Taiwan | Feb 2016 - Aug 2017

- Analyzed consumer insights through user research to develop holistic marketing strategy; generated revenue over \$2.2 million USD with 10 projects
- Coordinated with developers and designers to produce responsive websites and marketing materials to demonstrate product highlight and user scenarios
- Defined problems in buying behaviors with user data; optimized the check out process to improve conversion rate up to 38%

Google Ignite Representative

Adecco Group

Taipei, Taiwan | Aug 2015 - Nov 2015

- Selected as 1 of 30 Google Ignite representatives out of 3,400 applicants, trained by Google for 6 months on brand and digital marketing skills
- Conducted in-depth interviews with over 50 candidates and performed market research of 5 primary clients in UI/UX industry to propose recruiting strategies
